From the Classroom

Term four is a term with a lot of the Arts Curriculum in it, for us. As well as drama, students also participate in the Visual Arts strand a lot, as they prepare for Christmas. Without giving away any secrets, you can look forward to some real treats!!!!

Family Photo Fundraiser
Due to insufficient numbers the Family Photo Fundraiser has been postponed until early next year.

Sports Day
Thankyou to everyone for your support of Sports Day last Friday. Despite being a warm day, students were positive in their efforts and gave events their best. It was great to see so many families their together. Mt. Pleasant had everything very well organised, so things ran very smoothly.

A.C. Care Communities for Children Survey
A.C. Care in the Murraylands is collecting information about resources in the local community. They are looking for feedback from families about how well they feel local services meet their needs. Attached to this newsletter is a postcard that they would like you to complete for their information collection. Students have completed a similar postcard about what they would like to see happen for Palmer and the surrounding districts. Please complete the postcard and return it to school by Friday of next week (Nov. 7th) so we can send them off to the Murray Bridge A.C office.

Governing Council
Our final Governing Council meeting for the year will be on Monday the 17th November. This will be a dinner meeting at the Palmer Hotel. All welcome.

Teaching for Effective Learning (TfEL)
Our school has really benefitted from our involvement with the TfEL Pilot programme this year. This work has been led by Mikelle Miegel and has given us the chance to meet with teachers from other schools. It has also enabled us to explore ways of giving students a real voice in their learning. Last week, four of our students met with representative students from other schools at Mypolonga PS to discuss and learn more about the value of feedback in their learning. They enjoyed the day and will now share what they did there with the other students from our school.

Have a great weekend and take care! Lynne
