From the classrooms
As a result of the training that staff have been doing in the area of Maths, they have been engaging the students in a number of maths investigations, where students are dealing with real life situations and the maths that arises. These tasks are challenging for students and enable them to show a wide range of mathematical skills as well as their knowledge of maths.

Keep your kids smiling
Dental care is free for most school-aged children and all pre-school children at the School Dental Service. This service is open during the Christmas school holiday break. Phone your local clinic for an appointment. For clinic details visit www.sadental.sa.gov.au

Canberra Trip
Two of our Year 7s are heading off to Canberra on the 8th November with a group of students from other small schools in the Hills and nearby district. They will attend many cultural and historic sites during their week there. They are also fortunate enough to be there during the Commemorations Services for Remembrance Day. We hope they enjoy the experience and have a great time.

Teachers 2016
For the first time in a long time, we have been able to finalise who our 2016 classroom teachers will be at this time of term. We are very lucky that Katrina and Meagan have both been re-appointed to their positions for 2016. They both have strong relationships with the students in their classes and both have shown strong commitment to learner achievement. They are both also very happy to be returning.

Notice Board
I want to remind you that it is worth checking the Notice Board outside the Front Office each week. The events of the school week are displayed there, as well as Palmer’s Community Association calendar and other information about events and programmes being offered in the district.

Mannum Pageant
Students have already brought home a note about the Mannum Pageant being held on Dec. 5th. If your child is able to take part by riding on the back of the truck, please return the note to us.

Take care and have a good weekend! Regards, Lynne
