Welcome back to everyone. I hope you all had a chance to enjoy the beautiful weather in the holidays. This is a busy (and shorter term). I hope the attached calendar is useful to you. Please take note of the concert rehearsal days. It is as important that students are here for these as it is for all other activities. Please support us with this so the show can go on!!!!!!

**Healthy Eating Policy**
Next week, we will be targeting water as our focus for the Healthy Lunchbox Challenge. This should suit lots of students since water is the only drink allowed in class.

**MILO In2Cricket Program**
This program will be offered again at Torrens Valley Cricket Association, Birdwood oval, starting Wed. 18th Nov at 5.00pm and at Wanderers Cricket Club, Showgrounds Oval, Murray Bridge, starting Tues. 17th Nov. at 4.30pm. Every registered child receives a Participant pack. For more information log on to [www.playcricket.com.au](http://www.playcricket.com.au)

**Crows Workshop**
On Monday 19th October, the Crows will run a footy skills workshop for us. It will take place in the afternoon. You are welcome to come along to watch if you like.

**Maths In Residence Workshop**
On Tuesday 20th Oct, Katrina and Meagan will attend the third and final, whole day maths workshop with Ann Baker. Holly Clark will be in Katrina's class and Sue Ryan will be in Meagan's class. We plan to be using lots of this work in classes next year.

**Transition Visits**
Students starting school, moving from Year 3 to Year 4, and from Year 7 to Year 8, will take part in planned transition visits this term. These visits are designed to make the move smooth and to minimize disruption to learning. If your child is involved, you will receive information about dates and times for these visits.

**School Photos**
Please remember that school photos will be taken next Wednesday 21st Oct. All students are photographed for school records, but they will only photograph family groups that have returned notes. Please also make sure that all students are in school uniform colours (tops and bottoms).

Take care and have a good weekend! Regards, Lynne
