From the classrooms
The UP class have been working on Ancient History as part of the history curriculum. Students have been highly motivated by the topics and have lots of interesting facts to share with us. I hope you have heard lots about it, also.
We also took this week, National SSO Recognition Week, to thank our SSOs for the enormous difference they make to our school.

Book Week
I hope you have received your note about the Book Week activities at Palmer Primary School, including the Dress up parade and our invitation for students to bring along a Grandparent or a special friend. We are all looking forward to it very much.

Healthy Eating Policy
It has been really encouraging to see so many students enjoying fresh fruit as part of their lunch, recess or healthy classroom snack. Students who have brought along fruit, three times each week over the past three weeks, will receive three Year level points.
Next week our focus will shift to multigrain or wholemeal choices for our sandwiches, wraps, crackers etc. We will continue to issue Year Level points for three days of these choices.

Premiers’ Reading Challenge
Please remember the Premiers’ Reading Challenge finishes at the end of August. If your child has completed the required reading, please bring the form back to school so we can register their name.

School Dental Clinic
Dental care is free for most school children (0-17 years) and all preschoolers. To contact your local clinic ring 82228222 or visit www.sa.dental.sa.gov.au

Sports Day
As soon as the programme and other information about Sports Day on Sept. 4th is sent to us, we will forward it to you. In the meantime, please make sure you have returned lunch orders if you are planning to order food for the day.

Toy Sale
We are now collecting donated toys and books for the PSC Toy Sale on August 18th.

Take care and have a good weekend! Regards, Lynne
