"On the road to success"

Newsletter Term 2 Issue 10 6/07/2017

Dear Parents/Caregivers,

Student safety at drop off and pick up times

I am pleased to announce that after having a conversation with the road asset manager of the Mid Murray Council, there will be a new sign erected at the end of Education Avenue advising motorists to slow down to 25 km/hour during school times. Hopefully this will serve as a reminder for all cars to slow down as they approach the corner of Education Avenue and Olive Grove Avenue, and slow down for the safety of our students, and the school community.

As well as some speakers coming to our school to talk to the students about road safety, we are planning an excursion to the Road and Safety Centre in Ridgehaven around week 5 of next term. Once dates have been finalised there will be a note sent home with all the necessary information.

End of term

As usual, we will be having our end of term KIWANIS assembly at 9:05 am tomorrow, the 7th of July. Following this, after a few short learning tasks, students have decided to have a combined technology/music day. For this, students will be allowed to bring in their own electronic devices, however the games/apps they play need to be G rated, anything above this must not be played at school. There will also be some music quizzes and talent shows throughout the day. Students are welcome to come dressed in warm casual clothes, no gold coin donation is required. Also, just a reminder that school finishes at 2:15 pm on Friday the 7th of July, and school will resume on Monday the 24th of July 2017.

Term 3 Calendar

On the back of this newsletter is the updated calendar for Term 3. I have included the three days I will be out of school for required Leadership days and training, as well as Governing Council meeting dates and SLC dates, We will update this as the term progresses and any new events or visits are announced.
