Dear Parents/Caregivers,

Here we are at the start of week 7! I hope all our amazing Fathers had a special weekend celebrating Father's Day.

Students are busily getting ready for **Sports Day** which is coming up on Friday the 22nd of September. It will be held on Stockwell oval, and we have now received almost every reply from families regarding transport. If you have indicated that you are unable to transport your child/ren, you will be contacted shortly and be advised of who your child/ren will be going with.

Students have been learning the activities that will be featured on Sports Day, and we have also begun putting our health hustle together with the student's input. We are all hoping for lovely weather, however in case it rains (like last year!), our back-up day is **Thursday the 28th of September.**

#### Interviews

We are now at that time of the year that optional interviews are offered. After discussions with staff, it was proposed that we trial having interviews held in classrooms with classroom teachers, rather than have every interview in my office, so that there can be greater flexibility with interview times. It was noted last time that almost every family's first preference was for immediately after school, so hopefully having two interviews running at the same time allows for this to be achieved. Of course, there is always the option to have myself present during any interviews, and this can be indicated on the interview note. If at any time, my presence is not requested at either interview, I may pop in and out of interviews. We will trial this and seek feedback at the end of the interview stage, and make plans for next year's interview structure from this feedback.

Just a reminder that the Woolworths earn and learn program ends on Tuesday the 19th of September. If you shop at Woolworths, we would love for you to collect the 'earn and learn' stickers for our school, as we can then use the points collected to buy resources for our school. Thank you :)
